# Measure G creates the Sacramento Children's Fund — without raising taxes!

By passing Measure G, we will:

- Fight youth homelessness
- Expand funding for youth mental health programs
- Help kids stay safe and continue to grow after school and in the summer
- Provide career-based internships for teenagers
- Expand mentorship programs for kids of all ages

**...without raising taxes!**

## Measure G: Accountability and Responsibility

- Measure G does not raise taxes — instead, it is paid for with just 2.5% of Sacramento's General Fund
- Measure G comes with strict accountability measures and regular evaluation, so we know the money is being spent in exactly the right ways

Sacramento's youth, parents,  
teachers, and pediatricians agree:

“Voting yes on Measure G  
will allow us to reach out  
to more students, and be  
able to change more lives,  
here in Sacramento.”
